The Honorable Michael J. Rodrigues, Chair
Senate Committee on Ways and Means
State House, Room 212
Boston, MA 02133

RE: Prior Year Deficiency Report—FY2023, Accounts Payable & Final FY2023

Dear Chairman Michlewitz and Chairman Rodrigues:

In accordance with Item 1599-2040 of Section 2B of Chapter 126 of the Acts of 2022, the Office of the Comptroller hereby submits the attached Paid Prior Year Deficiency Report (the Report) on prior year deficiencies to the Senate and House Committees on Ways and Means.

The Report contains information regarding payment of prior year deficiencies through chargebacks to Fiscal Year 2023 funds, including details of accounts payable period payments totaling \$1,411,003.64. For Fiscal Year 2023, \$10,762,374.50 was spent in prior year deficiencies for 45 departments. Of that amount, \$7,913,372.73 was incurred in accounts that had sufficient funds (the department reverted funds to the General Fund at the end of Fiscal 2022) and \$2,849,001.77 was from accounts that had insufficient funds (the department did not revert funds to the General Fund at the end of Fiscal 2022). Whether there were sufficient or insufficient funds, the funding for prior year deficiencies is recouped from each department's current year appropriation.

If we can provide any additional information or respond to any questions, please let me know.

Sincerely,

DocuSigned by:
A blue ink signature of William McNamara.

Grand Total:**\$10,762,374.50***** Insufficient Funds**

Reason Code	Reason	Short Description	# of Occurrences	# of Depts
BD	Billing dispute can take a lengthy time to settle. During the ongoing negotiation to resolve a dispute, the FY in which the payment should have been made would be closed.	Billing Dispute	5	3
LI	There are instances when vendor invoices are submitted after the close of the FY. There are several reasons, such as, the vendor invoice was never sent, sent late or lost in the mail or the department did not recognize or reconcile outstanding invoices before the close of the FY.	Late Invoice	4,465	44
UB	Unexpected bills are costs incurred by vendors on behalf of departments often to prevent business disruption. An example would be malfunction/break of heating/cooling systems. Incidents such as this would require immediate repair/replacement without proper review of funding source. When such incidents occur the department usually, either files a supplemental budget or will settle with a departmental PYD.	Unexpected Billing	0	0
MI	Misplaced/lost Invoices most often occurs with agencies that have regional offices. Vendors may ship their invoices to regional offices for review and authorization. Regional offices then send the invoices to central office for payment. In between the regional offices and the central office, bills could be lost or misplaced.	Misplaced/lost Invoice	4	3
AE	This type of error occurs when a department copies forward a PRC and the data entry person forgets to change the vendor code from the PRC and submits the PRC to final. In this instance the wrong vendor will be paid. Unless the department finds out before the end of the FY and pay the correct vendor, it would be required to process PYD.	Accounting Error	11	1
IF	There are specific instances where departments are required to provide services without the availability of sufficient funds. The vendor completes the task and submits an invoice. The department pursues legislative funding solution. For prior year invoices outstanding the PYD process may be used as well.	Insufficient Funds Encumbered	0	0
		Totals:	4,485	45**

** Six instances where Departments fall under more than one Reason Code.
