Re: Requested Actions Rescinded - Potential Federal Government Shutdown

Comptroller Memo FY#2021-12C

This memo replaces FY2021-12B issued on Wednesday, December 23.

Based upon the action taken by the Congress to pass and the President to sign the next federal COVID Relief Fund Act that also included a federal budget for the remainder of federal fiscal year 2021, we are withdrawing our request for state agencies to provide information related to federal funding and its impact on staffing and programs should a federal shutdown occur.

Thank you for your continued partnership.

No action is required by state agencies at this time.

Thank you and best wishes for a happy 2021.
