The Fiscal Year 2023 General Appropriation Act has been signed. All accounts in all funds have been recorded in MMARS and expenditure ceilings have been adjusted to reflect 2/12<sup>th</sup> of the amount available for spending in all subsidiaries for all departments subject to the periodic allotment. This establishes legal authorization for Fiscal Year 2023 obligations and expenditures as of July 28, 2022. Any accounting transactions that were processed under the House 2 revised structure must be recorded in conformance with the General Appropriation Act. Departments should complete any payroll and non-payroll adjustments to conform to the FY 2023 chart of accounts by August 12, 2022.

Departments may not request or accept performance, or otherwise incur obligations, in excess of department appropriations and allotments, pursuant to M.G.L. c. 29, §§ 26 and 27).
