

System Requirements

Important Notes:

- PC's accessing statewide systems should not have Windows XP as the operating system
- Before upgrading your browser, please check compatibility with other local web based applications
- Microsoft offers IE11 and that version is certified for use with MMARS or HR/CMS
- Pop-up blockers must be disabled to allow page help to function properly
- Mobile Devices must have Web kit device enabled
- Multiple versions of JAWS can be run to support different application on the same desktop
- Updates will be issued when there are any changes
