RE: April 2014 Certification of MBTA Dedicated Sales Tax Revenues for the Fiscal
Year Ending June 30, 2014

Dear Secretary Shor and Secretary Davey:

Pursuant to Massachusetts General Laws (MGL) Chapter 10, Section 35T, paragraph b, I certify, after consultation with the Commissioner of Revenue, that the projected dedicated sales tax revenue amount for fiscal year 2014 is projected to be \$728,339,176.

The projected dedicated sales tax revenue amount is the amount of "monies received by the Commonwealth equal to one percent of the gross receipts of a sale as defined by the provisions of MGL chapter 64H and one percent of the sales price of a purchase as defined by the provisions of chapter 64I from that portion of the taxes imposed under the provisions of said chapters 64H and 64I as excises upon the sale and use at retail of tangible property or of services, and upon the storage, use or other consumption of tangible property or of services, including interest thereon or penalties but not including any portion of such taxes imposed on the sale of meals as defined in paragraph (h) of section 6 of chapter 64H." The calculation of sales and meals taxes dedicated to the MBTA is net of refunds, abatements, and amounts set aside under paragraph (b) of section 10 of chapter 152 of the acts of 1997 (the "Convention Center Portion").

The projected dedicated sales tax amount was calculated as follows:

Any shortfall in the fiscal year 2014 dedicated sales tax revenue from the fiscal year 2014 base revenue amount certified on March 1, 2013 will be made up by quarterly transfers from the General Fund, pursuant to Chapter 10, Section 35T(b) and the Memorandum of Understanding between the MBTA, the Treasurer's Office, the Executive Office of Administration and Finance, the Comptroller's Office and DOR.
