Honorable Aaron Michlewitz, Chair House Committee on Ways and Means State House – Room 243 Boston, MA 02133

RE: Settlements and Judgments Report —Fiscal Year 2023 Quarter 1 Reporting

Dear Chair Rodrigues and Chair Michlewitz:

Pursuant to Section 2 of Chapter 126 of the Acts of 2022, the Office of the Comptroller hereby submits to the House and Senate Committees on Ways and Means a report on payments made from the Settlements and Judgments reserve (1599-3384) for the first quarter of Fiscal Year 2023.

The attached report provides information on payees, amounts, and the associated department or agency for settlements and judgments paid from appropriation account 1599-3384. This information is also posted quarterly on the Comptroller's transparency website, CTHRU, which may be accessed via this portal link, https://www.macomptroller.org/cthru.

Fiscal Year 2023 – Spending Quarter 1 (July 1, 2022 – September 30, 2022)

In Fiscal Year 2023, \$10,000,000 was appropriated to the Settlements and Judgments reserve account (1599-3384). As detailed below, a total of \$6,763,345 was spent during the first quarter (Q1) of Fiscal Year 2023.

FY23 – Spending Quarter 1 (July 1, 2022 – September 30, 2022)				
Total Amount Available FY23	\$ 10,000,000			
Amount Expended Q1*	\$ (6,763,345)			
Remaining Balance (09/30/21)	\$ 3,236,654			

^{*} Approximately \$6M in Fiscal Year 2022 claims were paid in Fiscal Year 2023

The majority of the first quarter expenditures were related to claims that were submitted for payment during the preceding fiscal year but had not been paid as of the date of the Fiscal Year 2023 General Appropriation Act because there were no funds remaining in the Settlements and Judgments reserve. The supplemental budget process for Fiscal Year 2022 includes a request for additional funds. This additional amount would replenish the amount available for FY2023 Settlements and Judgements, as well as providing appropriated funds to support payments under the "spend in anticipation" process described below:

The Fiscal Year 2023 General Appropriation Act also provides for a spend in anticipation mechanism, under which the Secretary of the Executive Office for Administration & Romance may establish a higher ceiling for spending, based on a formula reflective of actual Settlements and Judgements spending experience in prior years. The Office of the Comptroller may then spend above the amount appropriated and reserved, up to the new ceiling. The process of calculating and establishing that ceiling is now underway.

I am always available, should you have any questions, comments or concerns regarding this account.

Sincerely,

William McNamara (Nov 4, 2022 14:08 EDT)
