RE: Settlements and Judgments Report —Fiscal Year 2024 Quarter 1 and Quarter 2

Dear Chair Rodrigues and Chair Michlewitz:

Pursuant to Section 2 of Chapter 28 of the Acts of 2023, the Office of the Comptroller hereby submits to the House and Senate Committees on Ways and Means a report on payments from the Settlements and Judgments reserve (1599-3384) for the first two quarters of Fiscal Year 2024.

We entered Fiscal Year 2024 in a strong position, thanks to the substantial \$15 Million appropriation included by the Legislature in the GAA. As the table below shows, Quarter 2 of Fiscal Year 2024 saw an unusually large total outflow of more than \$10 million. As a result, the reserve balance has been largely depleted.

Recap of Settlements and Judgements spending and reserve balances Quarter 1 and Quarter 2 of Fiscal Year 2024 (rounded to nearest dollar)

Settlements & Judgements Reserve Appropriation (FY24 GAA)	\$15,000,000
Less: amount expended in Q1 of Fiscal Year 2024	-\$4,549,010
= Settlements & Judgements Reserve Balance at end of Q1	\$10,450,990
Plus: additional capacity from “spend in anticipation” mechanism*	+\$725,854
Less: amount expended in Q2 of Fiscal Year 2024	-\$10,812,879
= Settlements & Judgements Reserve Balance at end of Q2	\$363,965

* The “spend in anticipation” mechanism provided in the FY24 GAA allows payments to be made beyond the appropriated fund availability up to a defined ceiling, determined by the average of five years of payment history.

Settlements and Judgements Report – Fiscal Year 2024 Quarter 1 and Quarter 2
January 22, 2024

Recap of key events reflected in the detailed report on Settlements and Judgements activity:

- During Q2, we made five payments totaling \$7 Million on behalf of the Department of Children and Families. These five payments were made under a single settlement. This is the key driver of the Q2 outflows and the low amount remaining in the reserve.
- On a fiscal year-to-date basis, four other departments have more than \$1 Million in total payments. These are not unusual amounts, but taken together, they have a meaningful impact on the reserve balance. Those departments are:
 - The Department of State Police: total \$1.7M
 - The Department of Housing and Community Development: \$1.5M
 - The Office of the Governor \$1.2M
 - The Office of the Attorney General \$1.0M
- In both Q1 and Q2, there were a large number of very small payments. Even when totaled, these payments represent a small dollar amount in comparison to the reserve.
 - In Q1, the Department of Children and Families made 1,989 payments ranging from \$0.58 to \$130.50. The total impact was approximately \$30,000.
 - In Q1, the Department of Developmental Services made 299 payments ranging from \$0.22 to \$50.06. The total impact was approximately \$2,650.
 - In Q1, the Department of Mental Health made 298 payments ranging from \$0.14 to \$94.43. The total impact was approximately \$4,730.
 - In Q2, Salem State University made 5588 payments ranging from \$250 to 500. The total impact was approximately \$4,730.
 - *In each of these events, the payees are employees of Commonwealth departments. For each department shown, a settlement on employment-related issues was reached and then applied to a group of employees.*

Because of the high volume of small-dollar payments, the attached edition of our regular report is lengthy. Therefore, we have also provided a summary report for the Q1/Q2 period.

The detailed report provides information on payees, amounts, and the associated department or agency for settlements and judgments paid from appropriation account 1599-3384, for both Q1 and Q2 of Fiscal Year 2024. This information is also posted quarterly on the Comptroller's transparency website, CTHRU, which may be accessed via this portal link, <https://www.macomptroller.org/cthru>.

Settlements and Judgements Report – Fiscal Year 2024 Quarter 1 and Quarter 2
January 22, 2024

I regret to add that, through an oversight, we did not issue the Q1 report in November. We discovered our error in the final days of December. I decided to accelerate the issuance of the Q2 information so that we could provide this combined report with detail for each quarter. I apologize for the lapse; we will be sure to issue future reports on a timely basis.

Sincerely,

DocuSigned by:
